

Este informe contiene informacio muy importante sobre su agua potable. Traduzcalo o hable con alguien que lo entienda bien.

Date Issued: 08/25/2025 **ID #** MO 302 4085

Water used for hand-washing or bathing does not generally need to be boiled. Supervision of children is necessary with bathing or using backyard pools so water is not ingested. Persons with cuts or severe rashes may wish to consult their physicians.
